WashU Epigenome Browser - Bug # 147

Status:	Closed	**Priority:**	Normal
Author:	Daofeng Li	**Category:**	
Created:	01/27/2014	**Assignee:**	
Updated:	02/14/2014	**Due date:**	
Subject:	crash when track file not exist in json hub		

Description
- I found if I renamed a file in my hub, loading the hub without updating it, browser will throw 'Json syntax error'
