Subject:	Roadmap analysis hub crashes		
Description			
<p>Jing told me she is having trouble loading the Roadmap Epigenomics Analysis data hub. It crashes every time, for a few days now. When I tried it loads for me, but is very slow.</p>			

History

#1 - 10/16/2014 02:48 pm - Daofeng Li

yes, it's kind of slow, the hub got more than 10k tracks and have around 40 tracks on by default.
