Subject: Quick capture of the central canvas

Description

- I have tried developing a plugin for quick capture the central canvas as a PNG figure
- enable this plugin is easy, edit index.html file
- add following line before the close body tag

```
<script type="text/javascript" src="http://cgs.wustl.edu/~dli/quickCapture.js"></script>
```

- see attached screenshot please
- (I have enabled this at test site, hope it's useful)
